---

For the third year in succession, Turvey is indebted to Colonel and Mrs. Hanbury for allowing the use of Turvey House Park for the Village Fete. Much of the success of the two previous efforts has in no little measure, been due to the availability of such a spacious and pleasant site. We thank them too for much valuable material help they have given.

Again all the Associations and many individuals have continued to take an active part in the arrangements—in fact it is in reality a Village Fete.

This year the proceeds will be handed over to the Turvey Recreational Association and it is hoped that a record sum will be available to further the most praiseworthy project.

Thank you for buying a programme—Come along and enjoy yourself.

*The Fete Committee*
