Dear Mr. Crawley,

In Mr. Miller's absence I have opened a letter from the German Federal Railways regarding your request to travel in the driving cab of a steam locomotive.

I am pleased to tell you that permission has been granted and that you are advised to contact the Works Manager of the engine shed at 17 Schaumburger Strasse, Limburg, on the 8th August, where all the necessary arrangements will be made.

Yours sincerely,

(Miss) D. Barnes

Secretary to
