Welcome to the 2017 Turvey All Saints Church,
Festival of Flowers.

This year's theme is 'One World'

The theme was entirely left open to our participants own interpretation and therefore you will see a truly diverse array of arrangements. You will see themes ranging from a favourite country or a place visited or somewhere closer to home, a reflection of their own little piece of this world.

The participants have let their imaginations run wild..... and together created 'One World' within our own community.

*'Don't forget – no one else sees the
world the way you do,
So no one else can tell the stories that
you have to tell.'*

Charles de Lint

We hope you enjoy this glorious and imaginative floral extravaganza and we would like to thank all the participants for their time, hard work and artistry.
