

2. 'A Window on the World'

By: F.A.S.T

The theme of this display is to encourage us to look outward through our window on the world and appreciate the diversity of all living things.

The Friends of All Saints Turvey is a charity, set up in 2000 to raise funds to restore and maintain the fabric of our beautiful church.

Over the years we have raised over £100,000 to help renovate the nave, the south aisle and the facilities of the church, thanks to support from individuals and societies in the village. Our aim is to put on events which will raise funds and provide fun for the local community.

We hope that the F.A.S.T 2017 Festival of Flowers will be a successful and enjoyable event.
