

3. 'Let Music Make the World Go Round'

By: Turvey Village Hall

Although it may seem strange that we have chosen music as a theme, over the years Turvey Village Hall has been the venue for a wide variety of musical events. We have enjoyed discos, live bands, violin ensembles, children's carols, swing bands, the Police Choir, the Community Choir and many TATS musicals and revues.

Dancing too has played a prominent role in the Hall's history. Who can forget the fun of dancing at a village fête? We are told that much "courting" took place at village dances and hops!

So our flowery violin and trumpet and bell shaped flowers represent our Village Hall's musical world!
