

9. 'Flora and Fauna'

By: Turvey Art Group

To celebrate the theme of the Festival of Flowers, 'One World', the members have selected recent work that illustrates the varied fauna and landscape of different parts of the World.

The members have sought to include a variety of flowers that are associated with different countries, particularly Africa, e.g. Gerbera, known as the 'Transvaal Daisy', in our floral display. The flowers reflect the heat of their own native climates through their 'hot' colours.

We welcome new members – we are a friendly and supportive group, currently without a tutor, however we have benefitted for many years of teaching from Bedford based artist, Celia Maddison before her retirement last year.

We meet on a Wednesday, between 2 and 4 pm in Turvey, during term time.

If you would like any further information about joining the group please contact either Jenny Ford, 01234 881459 or Elizabeth Walker, 01234 881486.
