

13. 'A World in Which to Learn'

By: Turvey Lower School

'Let us remember: One book, one pen, one child,
and one teacher can change the world'.

Malala Yousafzai

We took this quote as our inspiration and our display gives you a small insight into our school. The tree reflects our values tree and our new school logo...the leaves are made from hand prints of all the children and staff in our school. The flowers were painted by our Reception and Year 1 children. The boots were planted up by the children and represent our vegetable and flower gardens, which we take great pride in tending. Our older children have completed the display with their own thoughts about their school.

Our shared vision is to provide a happy and stimulating learning environment where children thrive and will recognise and achieve their full potential, so that they can become good citizens of the future.

This year our school converts to a primary school and the long tradition of educating children in Turvey will continue and as our new logo depicts the children in our community are in 'safe hands'.
